SRG GLOBAL SECURES CONTRACT FOR THE REDEVELOPMENT OF GOULBURN VALLEY HEALTH, VICTORIA

Highlights:

- **SRG Global secures ~\$11.5m concrete structure contract for the Goulburn Valley Health redevelopment in Shepparton, Victoria**
- **This is the second hospital project and seventh major contract awarded to SRG Global's Victorian based concrete and formwork division since it was established in May 2017**
- **This project is a fully integrated concrete structure and post tensioning solution following the merger of equals between Global Construction Services Ltd ('GCS') and SRG Ltd ('SRG')**

SRG Global (ASX: GCS) is pleased to announce it has been awarded the contract for the Goulburn Valley Health redevelopment in Shepparton, Victoria.

Tier one construction contractor Lendlease Building Pty Ltd (Lendlease) has awarded the complete concrete structure works to SRG Global. The project includes the installation of precast panels, post tensioning, reinforcement and all other related concrete structure installations. Contract works are expected to commence in the second quarter of FY19 and be completed in approximately twelve months.

Managing Director, Mr David Macgeorge said "This is a great contract win for SRG Global. This is the second hospital development contract to be awarded to SRG Global in the past three months which clearly demonstrates the confidence customers such as Lendlease place in our ability to deliver on these significant projects.

We are also pleased to be working together as SRG Global, bringing the skillsets of both SRG and GCS together to deliver an integrated construction services offering to our client base."

ABOUT SRG GLOBAL

Between March and September 2018 three companies came together to create SRG Global. In March 2018 SRG Limited ('SRG') acquired the TBS Group ('TBS'), a specialist industrial contractor in asset and infrastructure services. Six months later, SRG and Global Construction Services Ltd ('GCS') implemented a merger of equals between the two ASX listed companies. The combined group, being SRG, GCS and TBS are now all SRG Global.

SRG Global is now a specialist engineering, construction and maintenance group. Our vision is 'making the complex simple' across the entire asset lifecycle of engineer, construct and sustain.
